**Potentate's Message**

What a fantastic reminder of why we are Shriners. I was privileged to attend the Dia De Los Niño's (Day of the Child) parade and picnic lunch in Tijuana sponsored by our Tijuana Shrine Club. The parade was great and ended at a park where the local kids that are patients through our TJ Clinic and their families were invited for a picnic lunch. Several dignitaries and members of the media were present. Superman, Spiderman, and Transformers Bumblebee entertained the kids and must have posed for over 100 photos. Visiting with our kids and their parents was truly the highlight of the day. The mother of a young lady who had been severely burned wanted to thank us for "fixing her daughter, the other kids don't make fun of her any more". During remarks the Shrine was complimented for transforming the lives of so many children, and being Super Hero's to so many patients and families. When I was asked to speak, I could only turn that around and thank the kids for being such great examples to all of us by enduring the treatments associated with their conditions. A week later I attended the Sacramento Hospital Burn Clinic in Tijuana where the patients are evaluated for further treatment. Outer Guard Saul Lopez coordinated with government officials in Culiacan and was able to secure a bus bringing 34 patients and chaperones on a 24 hour bus ride to be seen by our Doctors and then turn around and make the 24 hour trip back. These are just two examples of the type of work our Noble Brothers to the South are doing in support of our Shrine Mission. Many thanks and Congratulations to all of them.

Our Spring Ceremonial was exceptional, the Directors Staff, Stage Crew, Cast, and oh yes the Oriental Band put on a fantastic performance. We brought in 14 new Nobles, several of whom mentioned wanting to get involved with our units and clubs, so keep an eye out and say hello to our new nobles and their ladies at the upcoming events.

Thank you to all who attended the Cinco De Mayo party. It was a big success and I want to thank Peter Krickhuhn and Lady Connie for chairing and putting on such a fantastic event.

The Annual Ladies Luncheon will be on June 6th and sounds like it will be a boot stomping good time. Ladies are encouraged to bring your husbands and have them come upstairs to the Red Fez Room during the lunch.

Our June 26th Stated Meeting Passport Destination will be Dog Patch USA. We will be serving Al Bahr-B-Q so dress in your best back woods go to meeting clothes and get ready for another great evening. Dennis Rosemier and Lady Donna have a few surprises waiting for us.

As it has always been, the Units and Clubs are the backbone of our organization. We need your support to assist them in the great work that they do. Please consider offering your assistance to one or more of our Units and Clubs.

Dia De Los Niño's Picnic

Chaplain's Message

Masonry teaches us allegorically through the symbol of the compasses to circumscribe our passions. These passions come in many forms such as wealth, power, material things, and even others that are either more subtle, more harmful, or both. There are many terms to describe our wants and desires and how we engage with those feelings. We "love" something, we are "religious" about a particular activity, we are "obsessed" with an item or goal. Even healthy activities can shift from "religiously" participating to a "passion" where we want to participate to an "obsession" where we have to participate and can never have enough even at the expense of our families, friends, and perhaps even our vocation. We all have our own versions and each of us is somewhere on this spectrum. So how do we employ our Masonic compasses? Perhaps if we shift from being merely "religious" when it comes to the Supreme Architect and make seeking His guidance and wisdom more of a passion and obsession we will find our compasses at a proper radius completing the circle that bounds our lives. *God Bless you!*

Once upon a time there was a famous Capt. He was very successful at what he did. For years he guided ships all over the world. Never did stormy seas or pirates get the best of him. He was admired by his crew and fellow captains. However, there was one thing different about the captain – every morning he went through a strange ritual. He would lock himself in his captain's quarters and open a small safe. In the safe was an envelope with a piece of paper inside. He would stare at the paper for a few minutes, then lock it back up. After, he would go about his daily duties. For years this went on, and his crew became very curious. Was it a treasure map? Was it a letter from a long-lost love? Everyone speculated about the content of the strange envelope.

One day the captain died at sea. After laying the captain's body to rest, the first mate led the entire crew into the captain's quarters. He opened the safe, got the envelope, opened it and... The first mate turned pale and showed the paper to the others, for words were on the paper, two on two lines.

Director's Staff

The Director's Staff would like to say a fond farewell to our beloved friend and clown of the Shrine, Mike Young. May his nose shine red in the heavens as a beacon of the great parade that cascades along the eternal parade routes in heaven where the cherubs and other angels will enjoy his smile and antics as we have had to short of an opportunity to do so here. He will be missed until we see him again.

We hope the Tin Lizzies enjoyed the photo prop that The Director's Staff made for them to liven up their event. Hopefully it added a funny moment for each to act silly and to take home a funny photo to remember their event. We hope you enjoyed the Valley center parade and had an opportunity to ride on the Genie float. The Director's Staff appreciates all the help we received to facilitate the Shrine Ceremonial on May 16th. Parades and the making of props are fun but receiving the help required to lug all our ceremonial regalia down to Scottish Rite, set it up and back down, and then bring it back to the Shrine is hard work, and the hard is even more important than the fun we have. Thank You Bob Stuckey for leading this team to get that done.

I will leave you with these two important words, which allow the Nobel's of the Shrine to help Your Director's Staff. The words are, Burger Thursdays, and the time is 11:00 to 12:00. Thank You.

RADOPS

Because a number of Noble friends have found their way onto the Sunshine Committee Report, I'm reminded of the founder of the RADOPS Club, in 1977, K6" Easy Dog Able," Howard French, who landed on the list some time ago. He entered a care facility and we made his late night cups of cocoa easier by donating an old microwave to his room. We ran a simple but efficient antenna to the roof for the ham radio beside him on the night stand, and he "worked the world" by talking with friends in lands far and near. Until the word spread after he passed, hams around the world would ask me how is "Easy Dog Able" doing? How many of us will have active individuals on every continent curious as to our condition?

Ham radio did it for Noble Howard, and it can do it for you also.

Come see us during the Director's Staff Cheeseburger Fry each Thursday. We're right next door, or call 619-253-7800, and we'll get you started on the path to becoming a ham.

Sincerely,

Noble Robin Armour, N6HHM

Peace Officers

Peace Officer stated meetings are well attended and are even getting interesting. The June meeting, on the 24th is the last chance we will have to talk about our Spaghetti Dinner Fund Raiser on July 18th, how you can help and answer any questions you may have!

By the time you read this article, the Peace Officers will have been in the Valley Center Parade. Parades continue to be the one thing that gets recognition for our club. Please join us at the next parade, in Coronado on July 4th, 2015. There are vehicles available to ride on and get you to and from the Parade.

Your Officers welcome and encourage all members to join us at the shed, behind the Temple, on the 4th Wednesday of each month. What! Shaaru Court of LOSNA

In May, our High Priestess Lady Beth Carter and ten members of our Court, traveled to Orlando, Florida to attend our annual Grand Council Session. At this session, changes to our Ritual and our By-laws were presented to the members of all the Courts in the United States and Canada for approval and the Grand Officers for the year 2015-2016 were elected and installed. The new Grand High Priestess is Lady Joy Moore, Past High Priestess of El Riva Court # 102 in Riverside, California. This is that first time in many years that we have had a GHP from the Western Area, and our Court is very excited about this coming year, which will end with the 2016 Grand Council Session being held in Riverside next May. Shaaru Court, under our new officers, who were installed in March, will continue our work for the Shriners' kids.

FELLOW NOBLES,

The Al Bahr RV Club had a great time with the El Becal Nomads RV Club at the Chula Vista Marina RV Park. Eighteen (18) rigs were there and a good time was had by all.

We will be at the Vista Elks Club June 11, 12 & 13th. We always enjoy the meals at the Elks Lodge and elsewhere about the city of Vista and sitting around the camp fire telling stories.

July 26, 27 & 28th, we will be at the Chula Vista Elks Lodge again. The meals at the Elks Lodge are great and we have some special places to go in and around Chula Vista.

For more information, call an RV Member you know or Jim McGrath (951-852-4551).

High Priest and Prophet

HELLO FELLOW NOBLES AND LADIES:

It's hard to believe that here we are in the month of June already. So many important functions and events have taken place here at Al Bahr, and I am very proud and honored to have a part in these activities such as our Board of Directors meetings, Stated Meetings, parades, Divan Visitations to our outstanding Units and Clubs, and fundraisers.

Back in March, I was Chairman of our Corned Beef & Cabbage Fundraiser, and we had a very successful event thanks to the help, advice, and guidance from our Divan Nobles, their Ladies, friends of Al Bahr, and you, our Nobility. By the time you receive the June Albahrometer, we will have celebrated our Al Bahr Spring Ceremonial (May 16th) Honoring Illustrious Robert E. Winterton, Sr., and the Groundbreaking Ceremony (May 27th) of our new Shrine Hospital for Children Southern California. We all owe a lot of gratitude to our Shrine Nobility and Ladies for their contributions and sacrifices in order to make this dream for a new Hospital come true to help our children receive medical attention and treatment. Also, we must not forget the contributions of our present and past Al Bahr members of the Hospital Board of Governors Los Angeles and Sacramento. Thank you all for making me feel extremely proud and honored to be a Shrine Mason. And on the subject of being a proud Shriner, let's not forget that Shriners International has declared June 6th Shriners International Awareness Day! Shriners International would like for all of us to display with pride our fraternity by wearing a fez (where appropriate), hat, shirt, and lapel pin with our fraternity logo. Thank you very much, take care, and May God Bless you and your families.

Oscar O. Cañedo, Ph.D.

Legion Of Honor

Thank you to all who attended the Memorial Day Service. A special thank you to Hank Marbott for organizing the Memorial Day Service. This is a very special event for the LOH and the Al Bahr Shrine.

One person who will need a new fez is our Commander Steve Walker. Cdr. Walker went to Tampa, FL for the IALOH Convention and was elected as the 8th LCDR of the IALOH. Congratulations Steve!

By the way do you need a new fez? Ask for assistance from the Al Bahr Shrine Office. They have informed me now is the time to order as things are slow this time of year. A new fez will take about two months to be delivered.

Thank you to everyone that marched in the Valley Center Western Day Parade. Please keep in mind the Coronado July 4th Parade will be here soon. Let's have a great turn out from our members.

Please mark your calendars and tell your friends. The LOH Annual Chili Cook Off is scheduled for Saturday November 21, 2015 at the Poway VFW.

Interested in joining the Legion of Honor? Please contact 2nd LCDR Chris Gunn 619-851-9157 or e-mail ccg729@gmail.com for membership information.

MOTING AROUND
 AL. BAHR SHRINE
 WITH THE
 RECORDER

I would like to send a welcome out to the Spring 2015 class of Al Bahr Shrine. We had 14 candidates complete the ceremonial and become Nobles. It is important that we welcome these new Nobles with open arms and allow them to experience the great Fellowship and Philanthropy of the Shrine. At some point in the past there used to be a program of mentoring our new Nobles. This is something we

would like to jumpstart. If you would like to be a mentor for one of the new Nobles please contact me and we can assign you a Noble. It would be great if we could have a mentor for each new Noble to help guide them across our sands and into a club and unit (or two!) that fits their interests. I look forward to hearing from you. Serving at the pleasure of the Nobility,

John P. Harris Jr., Recorder
Al Bahr Shrine

MEMBERSHIP MENTORS

We are looking for Nobles to become Mentors. As a Mentor you will be paired with a new Noble to share your knowledge and enthusiasm about Al Bahr. You will

answer questions about units and Clubs and make him familiar with Al Bahr. This program will hopefully get the new Nobles active in Al Bahr. For more information on this program contact the Records office at 1-858-292-0092.

Oriental Guide

Hello, Fellow Nobles,

We are Shriners. We're proud of our organization and our part in the Masonic family. We participate in Shrinedom's many activities and rightfully call ourselves members of the world's greatest philanthropy. But who are we, really, when it comes down to the numbers? I want to give you an update on who we really are as Shriners, and you can help continue to determine the role Al Bahr has in it.

First, we are a fraternity with a philanthropy. Sometimes our great history gets lost with the reversal of roles when some say that we are a philanthropy with a fraternity. At my recent Oriental Guide school, my fellow 165 Oriental Guides from Shriners centers all around the world, (out of about 195 Shriners centers) and I had this discussion, and held a mock court on which were we? The decision was rooted in tradition that we are a fraternity that has a philanthropy. So, what does that mean?

This is us. You and me and our fellow Nobles. We ARE Shriners Hospitals. We own and operate 23 hospitals, located in 16 states, three countries, and in five different time zones. Our 2014 operating expenses totaled \$480 million for just last year. Our daily average census last year was 141.5 children in beds for inpatient services. In 2014, our total census was 51,643 inpatients in our hospitals. Now, hold on! We ALSO serviced last year alone, an additional 287,000 outpatient encounters. That is more than 786 children per day we serviced around the world just in the outpatient category. Since I divided by 365 days in a year, including all holidays and weekends, if I just divided by weekdays, it amounts to 1103 children seen on an average weekday!! That means, on average, Our Al Bahr Samaritan drivers, taking 15 children per day to the Los Angeles hospital, serviced 1.4 percent of the total daily worldwide international Shriners Hospital outpatient load last year, day in and day out. I will need to add to that, the inpatient transportation load which I do not have. We owe our Samaritan Drivers a large debt of gratitude; they make all of us Shriners look good!! I did not even mention those children we need to fly to OUR hospitals for services or that need special travel arrangements on an acute or regular basis.

As I am writing this on early May, we are preparing to go to the May 27 groundbreaking of the new Los Angeles hospital construction in Pasadena. So when you receive this on June 1, that construction should be underway. My fellow Nobles, we have a lot to be proud of, and as Southern California Shriners, even more so, with the advent of our new replacement hospital. I will write more later to continue to update you. We ARE Al Bahr Shriners!!

Sincerely and Fraternally,
Gene Yee

Tin Lizzie Parade Unit

AOOGAH!

June is upon us! Does it seem like the year is really starting to move along? It's going to start getting warm so remember sunscreen. June brings us LaMesa Parade June 6th and Oceanside June 27. We are warming up for July 4th double dip parade day with Coronado in the morning and Ranch Bernardo in the afternoon. Thanks to all who attended the Tin Lizzies brunch. It was a great time and congratulations go out to Most Worshipful Mel Stein for being named the first Emeritus Tin Lizzie and also Noble Tom Vergne, inaugural recipient of the Rob Moris Golden Tow Rope award.

We are often approached with the question of cost for our Lizzies. Right now we have several Lizzies for sale and they range in price from \$800 to \$1100. We also have some trailers and other equipment available. If you have ever been interested in joining the Lizzies stop and see any of us or contact me. We can go over all the details with you. We are a very dynamic group with many characters that all come together to put on a great show at the Parades and show the Fez in a positive light. We would love to have you in our unit!

Remember, it's all for the kids.
