**Potentate's Message**

Nobles and Ladies,

Summer is just around the corner. May was a busy month for Al Bahr, it started with a bang with a group of our Nobles and Ladies attending the Western Shrine Association

Convention in Las Vegas. Mid month we held a ceremonial at the Scottish Rite

Center named in honor of our hard working Director Peter Krickhuhn. If you didn't have a candidate for that ceremonial, hopefully you will have one for the one we are planning for the fall. We are planning to hold a ceremonial in El Centro in November in conjunction with our Brawley Parade weekend events.

I urge you to be proud of being a Shriner. Be proud to wear the symbols of our fraternity, and when asked about them, that is the perfect opportunity to share our story. Remember our only source of new members is not just our Masonic Lodges, but it is our friends, neighbors and coworkers. What better way to start a friend on the path to the Shrine than by sponsoring him in a Lodge, possibly coaching him through the degrees, then sponsoring him in the Shrine. Remember our primary purpose is to help those children of the world that need medical assistance and we do it regardless of the families ability to pay. To put it simply "We change lives".

The month ended with the annual Memorial Day observance conducted by the Legion of Honor. Thank you Nobles, for honoring those that have made the ultimate sacrifice for our nation.

June starts off with a bang. Lady Jayne Parker and the rest of the Divan ladies, and her committee have been working very hard on the First Lady's Luncheon to be held at the Shrine Center on Saturday June 4<sup>th</sup>. Please check with the Shrine office for reservations.

Later that same day there will be a celebration in observance of Philippine Independence held at the Scottish Rite Center and the late, Illustrious Honario "Chico" Alvarez a past Chaplain of Al Bahr Shrine will be honored. Don't miss the Peace Officers Spaghetti Dinner on Saturday June 18<sup>th</sup>, it is always good camaraderie and of course great food prepared by our Shrine Purveyor John Ford and his fine crew.

Ladies, I am sorry I did not wish you a Happy Mother's Day in my message last month, but I truly hope you had a wonderful day. Not wanting to make the same mistake twice, I wish all you Dads a Happy Father's Day.

Fraternally,  
Lou Hahn

**Samaritan Drivers**

My Brother Nobles, We have in the past year requested your help in providing transportation for our "Shriners Kids".

As of this date we have had three of our brothers step up to the plate. I applaud these men for giving their time to help our kids that are having to deal with what life has dealt them. As of now the Transportation unit is seriously working in the **RED**. Currently we are spending three to four times more money on commercial transportation than we should be. Why is this. The answer is simple. We just do not have the drivers needed to provide this free service to the children that need us. We need you, as "Shriners", to remember what we are all about.

Yes, we are about having fun and parties. But please remember we party with a purpose. That purpose is taking care of the kids.

**WE NEED YOU TO STEP UP TO THE PLATE NOW.**

Thank you and please become one of the people that our kids and families get to know and love.

Gene Gillard, Vice President  
858-292-0092

**Congratulations** to Alex Rosillo who was selected as the Shrine Volunteer of the Year by the Shriners Hospitals for Children, Los Angeles. Thank you Alex for your efforts.

## Chaplain's Message

Ladies and Nobles, Here's something to ponder. What is the difference between our beliefs and our values. It can be a little confusing. People use both to guide their actions and behavior and to form their attitudes towards different things, but they are essentially different from each other. Beliefs are the convictions that we generally hold to be true, usually without actual proof or evidence. They are often, but are not always connected to religion. Beliefs are basically assumptions that we make about the world and our values stem from them. Our values are things that we deem important and can include concepts, i.e., consistency, honesty, integrity, effort, perseverance, loyalty, faithfulness and many other concepts. Our beliefs grow from what we see, hear, experience, read and think about. From these things we develop an opinion that we hold to be true and unmovable at that time. From our beliefs we derive our values, which can either be correct or incorrect when compared with evidence, but nonetheless hold true for us. It is possible for our beliefs and values to differ over time as we encounter evidence or have experiences that challenge our previously held views. Conversely, our beliefs and values can also be strengthened by experience or evidence. In conclusion, both values and beliefs shape the way we view ourselves and the world around us. They act as filters for our perceptions, and actually create our maps of reality. They literally make our reality, and make us who we are.

*Sincerely and Fraternally,  
Abe Ravitch, Chaplain*

## Club Shriners Las Californias-Tijuana

Dear Brother Nobles and distinguished ladies, we are very grateful and happy for your presence at the Shriner parade in Tijuana that was conducted April 30. It was a wonderful day, with the presence of our Illustrious Potentate Noble Lou Hahn and his distinguished lady Barbara, as well as members of the Divan. We strengthened the fraternal ties and had the opportunity to interact with many child patients and their families in the Lions Club Plaza. The unveiling of the plaque of the Silent Messenger for the Ambulatory Clinic in Tijuana was done with great emotion and solemnity; then we crowned the day with a succulent lobster in Puerto Nuevo, Baja California. We want to continue to live, enjoying the fraternity we have and invite you to the second "Summer Fair" in Tecate Rancho San Lorenzo on Sunday, June 26. The place is great, it has swimming pools, sports areas, live music, karaoke, and wonderful food. It will be an unforgettable day! Admission cost: Adults (18 years or older) \$ 6.00, youth (age 10-17) \$ 3.00, and children (9 years and under) are free.

Queridos Hermanos Noble y distinguidas damas. Estamos muy agradecidos y contentos por su presencia en el Desfile Shriner en Tijuana que llevamos a cabo el pasado 30 de abril. Fortalecimos los lazos fraternales y tuvimos la oportunidad de convivir con muchos niños y sus familias en el la Plaza Club de Leones. La develación de la placa del Mensajero Silencioso en la Clínica Ambulatoria de Tijuana se realizó con mucha emotividad y solemnidad y coronamos el día con una succulenta langosta en Puerto Nuevo, Baja California. En esta ocasión les tenemos excelentes noticias para seguir conviviendo y disfrutando la fraternidad: Los invitamos a la segunda "Feria del Verano" en Tecate en el Rancho San Lorenzo el domingo 26 de Junio. ## Tin Lizzie Parade Unit

It's June already, can you believe it? Another year almost half gone. The Lizzies had the Valley Center Parade in May and in June Oceanside in the later part of the month. It's kind of slow right now so it's a great time to do all that maintenance stuff we tend to overlook. Change your oil, check that belt, check that chain, and take your pit crew out for a nice dinner!

We are always looking for new drivers. We have a couple of nice cars for sale right now in the shed. One even comes with the trailer sized right for a Lizzie! I would expect you could get into a Lizzie and have some great fun for the coming months if you act now! If you are interested give me a call in the Records Office. Aoooooogah!

Remember, it's all for the kids.

## Al Bahr Yacht Club

Here we are Yachties in mid year. Weather is warm and it is time for fun and games. The meeting this month will be back at ye ole Southwestern Yacht Club on, you guessed it, the third Thursday which just happens to fall on June 16th. The game this month is the Paper Boat Regatta. We will provide the boats, so, please don't bring your own hopped up one. So get your racing gear on and let the games begin. Prizes will be awarded. Also mark your calendar for July 23rd for our annual FISH FRY (see our ad in this month's Al Barometer). I will be seeking your help with this, so no hiding behind the mast. There will not be a July meeting due to the fish fry, so unmark your calendar's 3rd Thursday. Don't forget to bring your Shriner friends. The more the merrier. Call Joyce Disraeli at 619-295-2553 for reservations.

## Greeters

Our shed meeting will be this Wednesday night the 8th of June. I need you to contact me back IF you are coming to YOUR Greeter meeting, otherwise if I don't get any or enough RSVP's to make a quorum, we will have to cancel our meeting. Please RSVP me back to my email address ASAP if you are planning on attending our meeting or you may call me at 619-888-6453. This is VERY IMPORTANT so we will have enough food for everyone. We will be discussing Shrine event and things we need to do for the shed and in supporting the Shrine. WE can't have a successful meeting without you there. Please attend YOUR Greeter meetings, we need your input. Social 6 PM, dinner 6:30 PM, meeting 7 PM.

## Shrine Club of Rancho Bernardo

The May dinner meeting of the Club was the official visit of the Potentate and the 2016 Divan. It was a great evening and an opportunity to recognize the leadership of Al Bahr Shrine. At the April stated meeting of the Temple, Past President Noble Jim Crawford received his pin in honor of 50 years of Shrine membership. Jim was also able to present the Club's donation to the Potentate at the meeting. The June dinner and social will be held on Thursday, June 16th and any Shrine member and their lady are cordially invited to be with us at the dinner. Please contact Phil Johnson, secretary, for full details, 619/884-5440  
*Don Heath, President*

## Peace Officers Club

The Peace Officer Shrine Club is "Alive and Well" and continues to meet on the 4<sup>th</sup> Wednesday of each month in the Shed, behind the Shrine Center. At the April meeting, Bob Powell was voted in to the office of 1<sup>st</sup> VP due to the resignation of Andy Monti.

The Month of June will find the Peace Officers doing their annual Spaghetti Dinner Fundraiser at the Shrine Center on the 18<sup>th</sup> from 5:00pm to 7:00pm. This is the only Fundraiser the Peace Officers have, during the year, with the proceeds helping to maintain our two Parade vehicles, and donations to Al Bahr and the Transportation Fund. Tickets are still available from any POSC member.

Parades continue to be the one thing that gets recognition for our club. Please join us at the next parade, in Coronado on July 4<sup>th</sup>, 2016. There are vehicles available to ride on and get you to and from the Parade. We will be doing the Scottish Rite Law Enforcement night on July 27<sup>th</sup>, in lieu of a Peace Officers Stated meeting. More at the June Meeting.

Your Officers welcome and encourage all members to join us at the shed, behind the Temple, on June 22<sup>nd</sup> this month. What! You say you are not a member - Membership in the Peace Officers is open to all Members of Al Bahr. Regular membership consists of active, reserve, volunteers and retired Law Enforcement Officers, Firefighters, and other public service officers from the city, county, state, and federal agencies. Associate membership are those Shriners who are interested in the field but have no regular affiliation with public service. Ask any member for a Petition and join us on the 4<sup>th</sup> Wednesday of each month, with a social starting at 5:30pm and dinner prior to the meeting! Remember, the dinners are still only \$5.00!

*Bob Powell*

## Past Masters

Letters have been sent out to lodges in San Diego/Imperial Counties that our club is available to confer Degrees for lodges in need of such assistance. We have asked for 30 days notice for a complete team in order to get permission from our Potentate and build a team. However, if only a few officers are needed to fill in a few chairs for a Degree, we can probably handle that with only a couple of week's notice. We now have a Third Degree in work for Black Mountain Lodge's Past Master's Night (at the Scottish Rite Center) for June 21st at 6:30 p.m. Stop down and support your club, Black Mountain Lodge No. 845, and Masonry. Our Club will also be teaming with La Mesa Lodge No. 407 and Boy Scout Troop No. 51 in the June 4th La Mesa Flag Day Parade. La Mesa Lodge and BSA 51 will be handing out 800 small American Flags to parade goers. Stop by La Mesa Lodge around 8 a.m. that day if you want to participate with us or La Mesa Lodge (there should be room for a few Shriners on the Drum and Bugle "float" or join the crowd on downtown La Mesa Blvd at 10 a.m. La Mesa Lodge will have a hot dog lunch after the parade, which stops in front of the lodge.

## Directors Staff

### Nobles and Ladies

I know it's a little bit early but please put on your calendar the 1<sup>st</sup> of October is the Director's Staff in conjunction with the Yacht Club is the only fund raiser for the year. It's the first OCTOBERFEST of the season so come out and join the festivities. It'll start at 4PM till whenever

I'm still looking at other Units and Clubs for any construction projects that you might need accomplished for your next function. We've had our first project request from the Potentate so don't let your group be out done by him contact me and get your groups project on the list and we'll be happy to assist.

Our Thursday Burger cook out is in full swing. It's good to see Bob Stuckey and Steve Bumgarner at it again. I heard a rumor that there might be some relief for Bob and Steve in the form of Jim and maybe later in the year Peter (I'll have wait and see that one) It looks like the attendance to the Thursday affair has increased pretty soon we'll have a cast of thousands which is a good thing. So, come by and enjoy a burger and some comradery.

## High Priest & Prophet

May flowers and hope spring eternal, and our thoughts turn to the future and to hope. We never know when or how our interactions with others will payoff Masonically. Sometimes, "things" take years or decades to marinate and then sprout into brotherhood and fellowship; we are the seed planters, the Johnny Appleseed of Masonic and Shriners traditions. Here are two recent shining examples: you each have hundreds more.

I recently went to my favorite computer store. Nathan saw me and asked, "Are you a Shriner?" When I replied in the affirmative, he asked me, "Do you know Lou Hahn? I grew up at Mount Laguna with my grandfather at Shrine Camp. Lou will know me by ..." and he gave me the affectionate name Lou (yes, Our Pote!) always called him. Now, decades later, he asked about Masonic and Shriner membership.

At the Corned Beef and Cabbage event, a Noble's wife asked, "How long do you think Al Bahr will last? 10years, 15years?" I had her turn, and look at the children the volunteer babysitters were playing with on the floor. I told her, "See these 10 children playing together there and laughing? They are your Shrine Masons, Easter Star Ladies, Daughters of the Nile, and Sharru Court ladies in 20 years." If they grow up in the Masonic and Shrine activities, joining is just a logical next step. I hope we keep offering these babysitting opportunities for our younger Nobles and for the grandparents who are Shriners! That is our bright future!

## RADOPS

### GOT CHUR EARS ON GOOD BUDDY?

If you were operating one of the modes of Amateur Radio called "Packet Radio," during emergency operations, you would never hear the above language. Your entire message would be seen on a laptop computer. Any questions and answers would be set up beforehand as a situation report. 1. Roads open? a. yes b. no or 2. Bridges down a. yes b. no, etc. A check-sum system would determine if the message got through automatically, with no errors. No need to ask. Sound interesting? Visit your Shrine station and museum for a chance to see what being a Ham has to offer. We're there every Thursday, from 11AM to 1PM, during the Director's Staff Cheeseburger Barbeque next door to the station. If you're a Noble or a family member of a Noble, and would like to become a Ham, please contact us. A multiple-choice test, administered by local Hams, allows the FCC to issue your own unique in all the world station license and call letters. 73's (Best Wishes),
