**Potentate's Message**
Larry Parker

By the time you read this greeting, your Divan, Units and Clubs Officers, will have been installed on January 13 at the Annual Meeting and Installation of Al Bahr Shrine, and we will have enjoyed the "Open House" sponsored by our Units and Clubs on January 20th at Al Bahr, and the Nobility Ball on January 21st, which was again held at the Crowne Plaza Resort of San Diego.

The Installation Ceremony was well attended by our Nobles and Ladies and guests, who gave the event the happiness, energy, and support indicative of the reputation of Al Bahr Shrine, and humbled the installed officers with the depth of sincerity, love, and appreciation reflected by their presence and their continuous support of our Temple and Shriners Hospitals for Children.

The Nobility Ball was another successful evening and Jayne and I hope all in attendance, had a great time. A special thanks to Arnold Korey and Bill Romer for their skillful handling of all the Ball details. Kudos to our Aides with their timely attention to detail and service to all guests. Once again, our Purveyor John and Nancy Ford excelled in the quality and quantity of great snacks and refreshments in our Hospitality Rooms. Thanks to the National Sojourners San Diego #45 Presentation of the Colors and the composite Legion of Honor and Patrol as our Honor Guard. My thanks to my children, Jeff and Laura Parker, for delivering beautiful vocal performances, and to Aaron Bullard and his stringed trio for providing the excellent classical repertoire during our dinner.

Although many of us departed for our Potentate Cruise in Australia and New Zealand in early February, hopefully our Nobles and Ladies enjoyed themselves at the annual Yuma Silver Spur Rodeo, February 10-12, and observed the visit of the Supreme Queen of the Nile on February 12th at the Scottish Rite Center. The Past Masters Breakfast FR occurred February 19th at Al Bahr Shrine.

March kicks it up with our annual Corned Beef and Cabbage and St Patrick's Parade on the 11th, Shaaru Court LOSNA Installation on the 18th, Yacht Club Fish Fry FR on the 25th, and Official Family Brunch on March 26th.

Begin marking your calendars for the dedication of our new Shriners Hospital for Children in Pasadena on April 13, 2017. Plans are being formulated for a bus to ferry us up and back for a modest fee for all riders.

Thanking you all for your support of all Shrine endeavors,

Larry Parker

For the 2017 editions of the Al Bahr O Meter, the Units and Clubs are requested to send in their input to **philjohnson736@cox.net** with a copy of the Shrine office at **office@albahrshrine.org**. Your input is to be submitted by the 11th of each month it is to be published (January 11th for the February issue, February 11th for the March issue and so forth.) **Submissions will be acknowledged.** The submissions will be edited for content and length and you are asked to limit your articles to approximately 250 words. If you are having a special event and need to place an ad, it will be published twice, the month before the event and the month of the event. With appreciation your cooperation in helping us to get the Al Bahr O Meter out in a timely manner. Please do not hesitate to contact me if you have any questions at **philjohnson736@cox.net** or **619-884-5440**.

Chaplain's Message-Abe Ravitch

Ladies and Nobles, now that the holidays are over, we can look forward to the new shrine year. Let us enjoy many times of fellowship and camaraderie with our clubs and units. Let us pray for one another's health and prosperity, our nation and the men and women in our armed forces who defend our freedoms.

Assistant Rabban- Gene Yee

As we enter this second month of the year, Al Bahr programs are well under way. It has been great greeting old friends, meeting new Nobles, and looking to programs and activities you are suggesting. All of these activities take people power to be successful, and I look forward to working with you on making these happen for all our benefit. We have our basic mission and help children, and we do a great job. There was a recent emergency during the holidays: a giant fireworks explosion occurred in Mexico. Our Nobles there and here responded. The Shriners Hospital system sent what I call a triage team to Mexico to help triage, treat, and evaluate children who were burned and injured in the explosions. It is a sad tragedy, and the ability of us, individually and as a fraternity, to immediately respond helped lessen the suffering and hasten the recovery for these unfortunate victims. A number of children were transported very quickly to the US for emergency medical treatment. On a more celebratory front, Zion, whom I reported upon previously, the first recipient of a double hand transplant thanks to Shriners Doctors' evaluations and expertise, was seen nationally in the Rose Parade on January 1; not riding the Shriners' float, but the Gift of Life Donor Program float in the same parade. He is recovering remarkably well, and is very articulate about it. Google him and you will find progress updates online.

A Note From Lady Jayne

I look forward to spending 2017 serving as First Lady of Al Bahr Shrine. It is a great honor, and I don't take it lightly. From the first event I attended after Larry became a Shriner, I enjoyed being a part of Al Bahr's activities, and as time went on, I met so

many wonderful nobles and their ladies, so the good times got even better. It is a blessing to be associated with all of you; I consider you all my Shrine family. I am very grateful to everyone who has guided me on this journey, especially the past First Ladies. Their willingness to befriend me and advise me is greatly appreciated. I will do my very best to live up to the standard they have set. Thank you to Lady Barbara Hahn for keeping all the ladies so well informed for the last four years. I will be following in her footsteps with monthly emails and updates on news of nobles and their ladies — both good, new and bad. I sent out a message in January, but several messages of "undeliverable" came back to me. If you did not receive my January email and would like to be on the mailing list, please email me so I can add you or correct my information on you. Please let me know what's happening in your lives so I can pass that information on. That's how families stay connected.

Recorder's Office

It's been a busy start to 2017. We watched one Potentate ride off into the past potentate chairs (I guess it was not a long ride!) and we welcomed in our new Potentate Illustrious Sir Larry Parker. What a great start to 2017 all the events have been so far. With the new fresh smell, still on this year, we should all try and visit our blue lodges and give them some support as well as look for that special person(s) that could be a great new Shriner. We need to do this often and you know how much fun the shrine is so bring a friend from your Blue Lodge. For those candidates arrangements can be made to hold a short form ceremonial before our regular meetings. At the same time, do you have an old friend that is a Shriner and you have not seen him in a while? Give him a call, just see how they are doing. It makes all our days brighter when we get a call from a brother and fellow Noble. Sometimes we get so centered on our task at hand we forget about our brothers, let's make that change together in 2017. **You can email us at office@albahrshrine.org, call us at 858-292-0092 and even send us a fax at 858-292-5618. If you would like to send a private note to the recorder you can do that at recorder@albahrshrine.org**

Motorcycle Riding Club

Greetings Nobles! The Motorcycle club will meet on the 3rd Sunday of every month and will adjust slightly in order to support other events. Are you a rider? Would you enjoy some saddle time with noble brothers? Do you know someone who might? Let them know we are in the wind we'd love to have you/them!

Ride Safe!

Director's Staff

Congratulations to the Potentate and the Divan for the year 2017. I hope you have a very successful year.

By the time you receive this we'll have made it through swearing in of officers, the Nobility Ball and the laying of a slab at the Temple one of Robert Dockerty's many projects with the assistance of the Directors Staff. Silver Spurs Parade in Yuma is the weekend of February 10th. So that gives plenty of time to rest up from the Nobility ball to come on out and join us. Yuma is always a fun parade. I'm still looking at other Units and Clubs for any construction projects that you might need accomplished for your next function. We're always looking for challenging projects to sink our teeth into. After a well deserved Holiday break the Thursday Burger Burn is in full swing from 11 till noon come out and enjoy a burger and some good comradery

Shaaru Court

December was very busy, On December 3rd we had a very successful Victorian Tea. We hosted our Grand High Priestess, Lady Diana Schmitz on her official visit. Our Grand Princess Lady Janet Larson was also in town for the weekend. It was wonderful having three Grand Officers for our meeting, including our Grand Marshal Lady Linda Figler. The Court and Grand Officers enjoyed celebrating the holidays at the Al Bahr Holiday Party. Our Lady Diana loves to dance and had a wonderful time as did we all! The end of the month found us wrapping packages at Barnes and Noble in Santee. We met and made friends with wonderful people. January proved to be a little less busy and we are looking forward to elections in February. Wishing everyone a Happy, Healthy and Wonderful New Year.

Lady Jeanne Cohen, PHP, Reporter

Chief Rabban - Dr. Oscar O. Cañedo

I want to thank you, your family, and friends for your continued support of Al Bahr Shrine and Shriners Hospitals for Children. Thank you for your participation at our Annual Meeting/Installation, our Open House, and the Potentate Nobility Ball. I am personally honored to be working and participating with you, the Nobility of Al Bahr Shrine, at our Al Bahr Shrine Events in making 2017 a great year with Illustrious Sir Larry Parker at the helm.

Hola QQ.HH. Nobles:

Ya estamos en el mes de febrero de 2017. Espero que hayan pasado las Fiestas Navideñas con sus familias en buena salud. Les quiero dar las gracias a ustedes y a sus familias por su apoyo a Al Bahr Shrine y a los Hospitales Shriners para Niños. También, muchísimas gracias por su participación en la Junta Anual e Instalación de los oficiales de Al Bahr, la Recepción en el Templo, y la Gran Fiesta de Inauguración del Potentado, el Ilustre Señor Larry Parker.

- ❖ Provide for the education of physicians and other health care professionals

Drum & Bugle Corps

Noble Brothers,

Your Drum and Bugle Unit is now an "intimate" group of Brothers... which may be interpreted as "we really need more members!" We do have a float on which to ride, and we will be playing in at least one 2017 parade. But we really need some more horn players. We provide the bugles, drums, and uniforms if you're interested in trying out. We'll even teach you to play a song or two if you haven't played before. Don't want to "toot a tooter" or beat a drum? We have Glockenspiels you may play (tuned metal keys you hit with a small mallet), which are very easy to play. Contact me or Nobles Bill Byous or Mike Seiler if interested. Our next meeting is on February 4th at the D&B shed behind the Shrine Temple. Fraternally,

Bill Stokes, President

Sons of the Desert

Here is hoping that each of you had a wonderful holiday season. We have a new slate of officers assuming the reins of SOD's and we look forward to working with the new officers of Al Bahr.

We had one of our fund raising events on the 7th and 8th of January. It was a good event and several SOD members were gracious enough to assist in the event. To all those who helped we send a sincere thank you. As we only meet every other month our passing of the gavel meeting will be held at our regular meeting in March. The meeting will be on Saturday the 18th of March and will start at 10:00am. Following the meeting there will be a pot luck lunch with Hamburgers/cheesburgers furnished by the club. We look forward to seeing or membership turn out in force.

We enjoyed our annual luncheon at Filippi's restaurant. A good turnout even though the divan did not attend due to more pressing obligations. 2017 finds us looking for events to enjoy during the year. If you have any suggestions please let myself or the new president know about them.

Shriner's International Emails

Shriner's International has begun mailing information about a directory and directory book they would like to produce this year. If you get this email it is not a scam or a hoax, it is being driven by Tampa to verify and collect information for this new directory along with sell the directory books to the Nobility. Please take a few minutes and follow the directions and confirm the information as they request.

Greeters

Hello All Greeters, people interested in being a Greeter, and want-to-bee's, The Greeter Officers hope you are ALL staying dry. Our next Greeter Meeting is February 8th. You are welcome to attend a Greeter meeting as our meetings are open to anyone interested in checking out our Unit and/or joining our unit. It can be fun and you don't have to walk in any of the parades if our Greeter Bus is there. To OUR Greeters, we need YOUR participation!!! Please attend your Greeter Shed meetings throughout the year. Remember, our meeting are on the second Wednesday of each month unless you get an email from me stating otherwise. Please RSVP your attendance at our meetings, so the quartermaster can schedule enough food for everyone. You may RSVP me back at this email address... randallm@aol.com or by calling me at my cell 619-888-mike (6453). The Officers would like to ask you that if you have any suggestion on how to increase participation, please let us know. We will be planning a fund raiser for later in the year. Please attend our next meeting to help plan this and other details. Again, we cannot be a viable Unit without your help.

Sec/Treasurer

Tin Lizzies

Aooogah! There were no parades in January but we all had a great time at the annual meeting, the ball, and the Unit and Club open house. With all that fun, you know we would rather be in a parade! Aooogah! February brings a long-distance travel parade in Yuma Arizona. It's a far piece but a fun weekend with fellow Shriners all weekend. Take your down time to change that oil and take that pit crew out to a nice dinner. Without their support we could not do what we do. For those of you who are interested in being in one of the most front facing Shrine Units the Lizzies are for you. We have a great time driving our little cars and showing off the Fez. The crowds always love us and there is not a kid that does not want one of our little cars! We have cars available that just need some drivers! Talk to me or any Lizzie about joining today! Remember, it's all for the kids.

Past Masters Club

First, let me introduce myself to each and everyone of you. I am Noble Ronald Torres commonly known as Bro Ony, a Past Master of Lemon Grove Lodge No.736 and an Al Bahr Shrine member of ten years. The month of January was a fun filled event starting with an "open house" on Friday the 20th. The club served pulled pork sandwiches alongside with the Drum and Bugle Corps members and officers. The following day was the Potentate/Nobility Ball which we had a reserved table to enjoy the night away. as we begin the month of February, let me remind you that our Past Masters club breakfast fundraising event is just around the corner and it will be on the 19th at 8:00am. Come join us early so that you will still have time to do your Sunday chores and attend your Sunday church as well. Finally, I would like to thank Nobles Mike Seiler and Phil Johnson for their continued support and guidance of the club activities and to all others who have been there throughout the years.

Fraternally,
Noble Ony Torres

Samaritan Drivers

A very Happy New Year to all from the Samaritan Drivers (Or Al's Road Warriors).

Having been elevated to the esteemed position the leader of this group of very dedicated men and women I thought you might be interested in knowing what they accomplished last year. After rolling out of bed at three in the morning a total of 447 drivers drove to the Shrine Center to inspect the van of the day. With this done they go to San Ysidro to pick up the children and leave for Los Angeles. This is normally about a two and a half hour drive. This was repeated 194 times. During the year there was the possibility of 203 transportation days. Through the year the members of the "A Team" donated 5554 hours transporting 710 Shriner Kids a whopping 62,300 miles. If you like to travel, meet new people and enjoy a free breakfast and lunch why not join up with us and support what Shrine Dom is really all about, HELPING KIDS DEFY THE ODDS!!!

Your name will appear each month in the Al Bahr O Meter for one year. When you send your check to the Shrine Office, please indicate DAD.

Thank you for your support and participation, it does help!
