Larry Parker

Another hot summer is almost gone and Labor Day and Autumn are creeping up! Hope you and yours had a wonderful summer. I want to thank Rhonda and John Harris, and "Sheriff" Tex Perry for organizing a superb Western Days Night on July 29th. The Director' Staff once again exceeded all expectations with their artistic and skillful construction of the hoosegow, cut-out figures for photos, and the whole bottom floor of the Shrine. Thanks also to Ray and Annette Barnes for their western saddles, spurs, and other decorations. Those of you who missed the two beautiful horses out back missed some beauties; some of you even got to mount up! The food, Western style of course, was prepared by first-timers, "That Boy Good" or "T.B.G.", and was fantastic! The turnout was better than anticipated for a summer event, but even more importantly, the spirit (not spirits) was high and a good time echoed by all. Fun and Fellowship was abundantly present.

August 11th was our stated meeting honoring the officers of the Scottish Rite bodies a sumptuous meal prepared by the Islanders, and an address by Illustrious Sir Ed Collins, PP, who presented update information on the Shrine Children's Medical Center at Pasadena and progress being made in Tijuana regarding the delivery of and future progress and changes soon to be made in that area, resulting in better service to the residents in the affected regions.

The Shriners' Annual Imperial Council session in Daytona Beach was attended well and many items were disposed of and proposed changes announced. Al Bahr Shrine was granted its request to withdraw from the Western Shrine Association as the Nobility voted, and five-to-six other temples voted to withdraw from their respective associations. Despite Shrine rumors, a shrine temple is NOT required to belong to any association.

The Ladies Tea held on August 26th was another highly successful and ornately planned event which makes milliners and dressmakers very happy. Rumor has it they all had a marvelous and congenial time, and raised needed funds for future donations. September 9th is the Grand Master's Visit to San Diego at the Scottish Rite in conjunction with the annual Mason of the Year Awards. Support your Blue Lodge and brothers if possible.

September 21st is the anniversary of the founding of the Shriners in New York City in 1871.

When I took my obligation as a Master Mason, incidentally with my three younger brothers, I recalled the value my own father attached to that Order. But I had no idea that I would be added to the company of the Father of our country and 12 other members of the Order who also served as President of the United States of America. Masonic principles – internal, not external – and our Order's vision of duty to country and acceptance of God as Supreme Being and guiding light have sustained me during my years of government service.

Gerald Ford, Master Mason  
38th President

## Chaplain's Message - Abe Ravitch

I've always been fascinated with the history of religion. Here's a short timeline from the 1st to 5th centuries.

4bce-c.30/33: CE-The life of Jesus of Nazareth, the central figure of Christianity.

31-36: The death of John the Baptist.

50-62: The first Christian Council was convened in Jerusalem.

70: The Siege of Jerusalem, the Destruction of the Temple and the rise of Rabbinic Judaism.

220: Manichaeism Gnosticism was formed by the prophet Mani.

250: Some of the oldest parts of the Ginza Rba, a core text of Mandaean Gnosticism, were written.

250-900: Classic Mayan step pyramids were constructed.

300: The oldest known version of the Tao Te Ching was written on bamboo tablets. [citation needed]

313: The Edict of Milan decreed religious toleration in the Roman empire.

325: The first ecumenical council (the Council of Nicaea) was convened to attain a consensus on doctrine through an assembly representing all Christendom. It established the original Nicene Creed and fixed the date of Easter. It also confirmed the primacy of the Sees of Rome, Alexandria and Antioch, and granted the See of Jerusalem a position of honour.

c.350: The oldest record of the complete biblical texts (the Codex Sinaiticus) survives in a Greek translation called the Septuagint, dating to the 4th century CE.

380: Theodosius I declared Nicene Christianity the state religion of the Roman Empire.

## Assistant Rabban - Gene Yee

Fall arrives this month, and with it, activities with us all together more again after a busy summer. The Imperial Session was informative as we took care of business of both the fraternal side of Shrinedom and of the Shriners Hospitals. They are separate corporations, and yet fraternally operate so well together. Of special note was the creation of a new Shriner Temple in a new country – Bolivia. I feel a special significance welcoming Bolivia Shriners, a Shriners Temple in Bolivia, which was named after Simon Bolivar, who fought and liberated much of South America. Bolivar was a Master Mason who was raised in 1806, and received his Scottish Rite degrees in Paris and became a Knight Templar in France in 1807. Bolivia Shriners will have their first ceremonial in November in Santa Cruz, Bolivia, and I wish them every success.

We have been busy locally assisting our Past Potentate, and Vice Chairman of the Board of Governors Illustrious Sir Ed Collins in the moves to improve the services of Shriners Hospital to Mexico, and Baja California specifically. Baja California is part of Al Bahr territory, with our Club Shriners Las Californias in Tijuana, Mexicali, and Ensenada. The Al Bahr service area also includes Baja California Sur down to Cabo San Lucas, and Sinaloa including Mazatlan. We are truly a binational, bilingual Shriner Temple, with members working daily on both sides of the border serving children in need of Shriners Hospital subspecialties.

## Shaaru Court

Some Ladies of Shaaru Court will be attending Western Area Unit Meet in Phoenix, Arizona this month.

It's a fun get together from other courts in the Western area to meet new and old friends of the order.

There will be no regular meting but will continue with meetings next month in October.

## Director's Staff

Nobles and Ladies.

By the time you read this article the 1st Ladies High Tea will have come and gone and I'm sure it was a great success. I hope everybody that was in attendance had a great time.

I wanted to thank everybody in the Directors Staff for their support in these different projects whether it be directly in producing the different backdrops or in a support role such as cooking for the burger cookout. It all matters.

I'm still looking at other Units and Clubs for any construction projects that you might need accomplished for your next function. We've had our first project request from the Potentate so don't let your group be out done by him contact me and get your groups project on the list and we'll be happy to assist.

Our Thursday Burger cook out is in full swing. It's good to see Bob Stuckey, James Glunt and Steve Bumgarner at it again. It looks like the attendance to the Thursday affair has increased pretty soon we'll have a cast of thousands which is a good thing. So, come by and enjoy a burger and some comradery.

## Recorder - John Harris

At the stated meeting held August 11th the Potentate, Illustrious Sir Larry Parker, provided an update on the Mt Laguna Chariot Fire Litigation. There has been some movement and we have some very "legal-ease" judgements from motions put forth. If you would like to read the actual copy of these we will have one available in the office and we have been asked to keep this copy in the office for review. I have read it and it is somewhat confusing even if you have been involved in the litigation. There will be upcoming town halls setup to explain this in terms we can all understand so keep your eyes and ears open for the announcements of these events. You can email us at [office@albahrshrine.org](mailto:office@albahrshrine.org), call us at 858-292-0092, and even send us a fax at 858-292-5618. If you would like to send a private note to the recorder you can do that at [recorder@albahrshrine.org](mailto:recorder@albahrshrine.org).

## Legion of Honor

There are many events we accomplished since January 2017. I would like to express my sincere appreciation to all of you for your unending support to our unit. But, we need to do better. The key of our success is participation and we can achieve smoother operation of our unit. Let's join together and achieve our common goal and more importantly, let's have fun and enjoy on the things that we have. As always, please keep our military forces and their families in your prayers. Take the time to stop them and thank them for their service to our country. We can't thank them enough for their dedication and sacrifice to maintain our freedom and liberty.

Sincerely and Fraternally,  
*Christopher C. Gunn*  
 Commander

## Chief Rabban - Oscar O. Cañedo

I hope you and yours are well. We had a great time at the Shrine Western Night on July 29th and enjoyed the BBQ very much. Our August 11th Stated Meeting honored the Scottish Rite. Thank you Noble Rudy Nobleza and crew for providing the delicious dinner. The highlight of the evening was when Illustrious Sir Ed Collins, PP, Vice Chairman of the Board of Governors of Shriners Children's Medical Center, updated us on the planned future medical services for the children in Mexico. And speaking of Mexico, our hats are off to the dedicated Samaritan Drivers who transport children day in and day out. Thank you also to the Nobles and their Ladies of our Baja California Clubs (Tijuana, Ensenada, and Mexicali) for your untiring efforts in providing services to the children of Baja California. Gozamos el "Shrine Western Night" el 29 de julio y tuvimos junta (Stated Meeting) el 11 de agosto y recibimos como invitados de honor a los Oficiales del Rito Escocés. Gracias al Noble Rudy Nobleza y a sus asistentes por la deliciosa cena. El Ilustre Señor Ed Collins, PP y Vice Director del Centro Médico Shriners para Niños nos informó de los futuros planes para proveer servicios médicos para los niños de México. Gracias a los choferes (Samaritan Drivers) y a los Nobles y a sus damas de Baja California por su dedicación y servicio para los niños.

## Sons of the Desert

The Sons of the Desert rescued an old broken cotton-candy machine from the Shrine basement. After several hours work by our members, Terry Alison and Dave Berman, who successfully repaired it, the club gave the working machine to the clowns for future fundraising projects. Our next SOD stated meeting in scheduled for Saturday, Sept 16th, in the shed. Following the meeting, we plan to enjoy the Greeters BBQ Fest fundraiser in lieu of our usual potluck. Hope to see you there.

John Ford, Pres.

## Honored Ladies

The next meeting of the Honored Ladies of Al Bahr Shrine will be Saturday September 9th. Come at 9:30 for coffee time, socialize and browse the book table. The meeting then starts at 10:00. All are welcome to stay and play dominoes after the meeting.

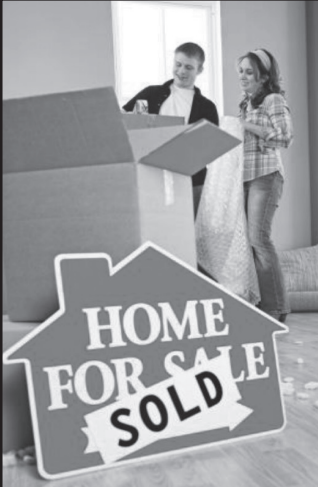

Our September 9th meeting will mark the 1979 organization of the Honored Ladies of Al Bahr Shrine by Potentate John A. Rose and Lady Dori. They felt that widows of the nobility should always be an honored part of the Al Bahr family. We thank the Al Bahr Shriners for all the support and generosity they consistently and faithfully bestow upon us. Come to the meeting and join us for snacks and birthday cake, provided by Nobles Gene Yee and Oscar Cañedo, to celebrate our 38th birthday!

Our Game Day is the fourth Thursday of each month, also at the Shrine Center. This month it falls on September 28th and is from 10:00 am to 2:00 pm. Bring a sandwich or purchase a delicious freshly grilled hamburger prepared by the Director's Staff.

Hope to see you at the Honored Ladies meeting September 9th and Game Day September 28th. Fun fact: September 22nd will mark the first day of Autumn! Unfortunately, we still have some hot days to look forward to...Keep well and keep cool!

## Samaritan Drivers

It looks like the Road Warriors are about to get busy finally. The new and probable date the new clinic in Pasadena will be accepting patients beginning in August. I hope none of the Samaritans have forgotten how to handle heavy traffic.

Our newest driver, Mario Posada, received his introduction into the world of Samaritan driving while transporting a patient to the Sacramento Hospital with me. After an 11 hour trip he still got in a workout in the hotels gym. What a man! We even managed a stop in Pasadena for him to complete his paperwork and obtain his clinic ID card. Welcome Noble Brother!

In my last article I mentioned I would have a report on how the Transportation Fund was used for the first 6 months of this year. With help and diligent work by Barbara ( You know, the lady in the office) here they are. In the interest of saving space some of the totals have been grouped together.

• Spent while actually transporting patients includes air fare, bus fare and fuel.	\$33,700.00
• Vehicle Maintenance	\$2,461.00
• Support to families (reimburse travel expenses)	\$3,416.00
• Hospital Transportation Office Expenses	\$483.00
• Van cell phones	\$168.00
• Metro transponders (express lanes on 1-110) acct. now closed.	\$166.00
• Van Insurance (2)	\$4092.00
• D.M.V. registration	\$956.00
• Airport Parking	\$56.00
• Total	\$45,495.00

The expenditures for the second 6 months will be less due to the transition from Los Angeles to Pasadena. Drive safe and keep your eye on the other guy.

*Gene Gillard*  
President Samaritan Drivers

## Rancho Bernardo Shrine Club

In August the Club once again had the opportunity to count ballots for the election of directors for the Oaks North Home Owners Association. A special thanks to Terry Whitten for making arrangements for this project. It brings in a tidy sum to the Club, which we use to help with the November Anniversary Celebration.

The Club will hold its September meeting on Thursday, September 14th at the Athens Market Cafe. This is one week earlier than our usual meeting day so as not to conflict with the first day of Rosh Hashana.

Live in the North County? Interested in a little Shrine social and fellowship? Contact us for full details.

Proceeds from this event benefit Al Bahr Shriners

## Al Bahr Shriners Legion of Honor

We are Shriners who have served or are still serving in our nation's Armed Forces.

We meet monthly and enjoy great fellowship while promoting patriotism and our wonderful Shriners Hospitals for Children's charity.

Shriner Veterans - We want you!
