Potentate's Message

Oscar Cañedo, Ph.D.

Hello Everyone

I hope this message finds you all in good health. Here we are in July, and it is going to be busy busy just like in June. First of all, thank you Nobles for attending our Officers Council on June 20th. Also a big thank you to the Rancho Bernardo Shrine Club for hosting a Divan Visitation on the 21st and all who participated at our first Shriner Schneitzel on Thursday, the 28th in Chula Vista. Thank you to the fine people of Der Wienerschneitzel for your donations to Al Bahr Shrine. A big thank you to all the Ladies that helped and participated to make the First Lady's Luncheon a huge success. Friday, August 10th is our Stated Meeting honoring the York Rite and please plan on attending. Speaking of busy, our trip to Mazatlan, Sinaloa and Los Cabos, Baja California Sur (South) on June 7 - 18 was outstanding and filled with a lot of activities. We were welcomed with open arms and treated very nicely by all. We had the opportunity to visit hospitals and clinics and had the honor and privilege of being joined by Imperial Sir Ed Stolze, Member of the Board of Trustees of Shriners Hospitals for Children. We also had Chief Rabban Gene Yee and Noble Dan Smith, my Chief Aide.

The purpose of our trip was to visit hospitals and clinics that have served our Shrine children and to visit the Al Bahr Shrine Club Nobles and their ladies in the States of Sinaloa and Baja California, Sur (South) to thank them for their dedication in helping kids. We had the opportunity of meeting and speaking with five former Shrine Hospital patients during our visit. We also had the opportunity to have two Shrine Ceremonials. We initiated 14 new Shriners in Mazatlán, Sinaloa and 16 in Los Cabos, Baja California. In Los Cabos, we also initiated 6 more Shriners as a matter of courtesy for Anezeh Shriner of Mexico City making a total of 36 new Shriners. My deepest thanks to all the Nobles, Ladies, Medical Staffs, and Friends of Sinaloa and Baja California Sur for a memorable and unforgettable experience.

Espero que todos Uds. y sus familias se encuentren bien. Muchísimas gracias por su participación en los eventos que tuvimos para el mes de junio. Nuestro recorrido a los Estados de Sinaloa y Baja California Sur fue una experiencia tremenda e inolvidable. Les quiero dar las gracias a todos los Nobles y a sus "Ladies" por su recepción y bienvenida. Tuve el honor de ser acompañado por el Señor Imperial Ilustre Ed Stolze, Miembro de la Mesa Directiva de los Hospitales Shriners para Niños Internacional. También nos acompañaron los Nobles Jefe Rabán Gene Yee y mi Jefe Asistente Dan Smith. Visitamos hospitales y clínicas donde trataron a niños antes de transportarlos a los Hospitales Shriners para Niños en los Estados Unidos. Estas visitas tomaron lugar en Mazatlán, Culiacán, Guasave y Guamúchil, Sinaloa y en San José del Cabo y La Paz, Baja California, Sur. Mi propósito por estas visitas también era para darles las gracias a todos por su labor y dedicación cuando se trata de tratamientos para niños porque entre nosotros los Shriners no hay fronteras. A parte de estas visitas y actividades, tuvimos dos Ceremonias: una en Mazatlán y la otra en San José del Cabo. En total, iniciamos a 30 nuevos Shriners para Al Bahr Shrine. También iniciamos 6 nuevos Shriners como cortesía para Anezeh Shriners del Distrito Federal. Era un total de 36 Shriners para Shriners Intenacional. Quiero darles las gracias de nuevo a todos los Nobles, sus "Ladies" y a los médicos y enfermeras por lo que hacen para los niños de parte de mi "Lady" Sarita Lindsey de Cañedo y su seguro servidor. Mil gracias por su hospitalidad durante nuestro recorrido a México, la tierra natal y amada de mis padres.

JUST A NOTE!

Hey, It's Time
to Pay Up!

Chaplain's Message - Hal Scott

The greatest weakness - seen in every dying empire, good or bad - is to become enamored of the past in escaping from the future, when there's present need to go back to the future in being born again in one's spiritual essence in new ways. Like Masonry, Nicodemus was well-established and well-meaning but while he was one of the first to support Jesus, he was, according to Jesus, among the last to understand him. It was a revolutionary spiritual call, rather than a religious creed that Jesus was calling out to Nicodemus to find for himself, in being born again. Masonry began with Temple construction and, today, there are many beautiful cathedrals, but they are mostly empty. If Masonry is to be born again, it needs to reconstruct itself according to the basic foundation of any construction in building anew from the bottom up rather than from the top down. I know of no Temple, Mosque, or Cathedral that was ever built from the top down, and Masonry must build itself up again in order to be born again. There is an old Russian adage that one can never rise above one's own head. Masonry, I submit to you, has to get its own head together if it expects to build upward towards future construction rather than gaze upward in the futile self-satisfaction of contemplating past construction.

RV Club

Greetings Nobles and Ladies from the RV Club.

Many thanks to Bob Weldon for filling in for the June issue while I was out of town for a submarine crew reunion in Bremerton, Washington. Our June outing was a joint outing held at the Chula Vista Marina RV Resort and hosted by El Bekal Nomads. There was a good turnout for this outing. One of the highlights was a trip to the "Galley" for their Thursday night special, Fish and Chips. Our July outing will be at the Chula Vista Elks Club which is a good outing. If you have a self-contained RV, please come join us for fun and fellowship. If you have questions, feel free to contact me or any Club member. See you down the road.

Dick Wolz, President

Islanders Club

The Islanders Club will have its July 2018 stated meeting on July 21, 2018 at the Al Bahr Shrine Islanders Club shed behind the Shrine Center at 3:00 PM, just before the POC/Sons of the Desert Spaghetti Dinner Fundraiser. The main topic of the meeting will be the Annual Picnic and the Annual Luau Fundraising, which are both scheduled in the near future. We had a great meeting last June, attended by many members, ladies and guests.. Let us support the POC/Sons of the Desert event. The secretary/treasurer has the new membership/dues cards for 2018, and in the process of expiditing them to the membership. Our dues are still the same as it was, \$10.00/year. The annual LUAU is scheduled on the 18th of August, 2018, and is fast approaching. We need your support for the LUAU to be a success. Ticket is priced at a mediocre value of \$20.00, and that includes the food, show, raffle and lots of camaraderie and fellowship. The annual PICNIC was moved to September 22, 2018, but still in the same place as before, MCAS Miramar, Mills Park, from 11:00 AM to 4:00 PM. Come One, Come All. Invite your friends and relatives, both masons and non-masons, and show them what we are about, and "HOW GREAT IT IS FOR BRETHREN TO DWELL TOGETHER IN UNITY".

Yours in the Island

Motorcycle

Noble riders, I know there are more than 3-motorcyclists in our fraternity?! In May we had a nice day-ride planned for Memorial Day with support to the Legion of Honor Memorial Day event. We had a great day, and many of you missed it. 3-bikes, 4 riders enjoyed a ride out to Barona Casino, enjoyed Brunch and conversation in the Sage Cafe. Then a ride back to the Shrine. But don't despair, there are more opportunities to get in the wind and enjoy the SoCal roads with us and continue to support other Shrine Unit/Club events. So are you interested in getting in the wind with us? 21 July Peace Officers Spaghetti Dinner. Maybe an afternoon ride ending at the Shrine to support the Peace Officers. Then August there is nothing in conjunction with a weekend event so we may put together a ride up the coast or into the SoCal Mountains...What say you all? Interested in getting out for a ride? email pagegeo@gmail.com for info and to be added tour contact list. Until we see you in the wind, motor safe, keep the rubber side down and please, those of you that do not ride, watch out for those of us on two wheels on the highways and byways!

Second Ceremonial Master's Report by Adolfo de la Peña Barron

Hello, Nobles and Ladies,
I am very honored to be part of the Appointed Divan to serve you this year as your Second Ceremonial Master. My lady Jacqueline and I are very grateful for the great moments that we have had, especially during de nobility ball in January and recently during the First Lady's Luncheon. I was President of the Club Shriners of La Paz and Los Cabos during 2017, This past October I received the Most Top Line Signatures Award from Shriners International. My Masonic history began with my great-grandfather, Gaston J. Vives Gourieux; he and his parents came from France. They resided in the south part of the peninsula of Baja California since he was 3 years old. He studied in Paris and he joined the Masonic fraternity since that time. After that, when he came back to Baja, he became part of the Scottish Rite in Baja California. One of his sons, Gaston Vives Lucero was Worshipful Master five times (1945, 1946, 1951, 1961, 1962) in my mother Lodge Los Fieles Obreros de la Baja California No. 189, founded in 1869; where I have had the opportunity to serve as Worshipful Master during 2015 and 2016. My grandfather was also Master Mason from the same lodge, he and my grandmother Yolanda Vives, inspired by the love of her family and the Masonic principles guided me to follow Freemasonry and look forward to benefit the community. I'm continuing to learn how to serve best to all of you and the children in Shriners.
