Hello, Fellow Nobles and Ladies.

June is the advent of summer, and we have a full plate this summer at Al Bahr! After a busy Spring, Al Bahr created 35 new Shriners in four ceremonials.

Welcome to Al Bahr Shriners, all! I hope your Shrine portion of your Masonic journey will be highly satisfying and full of fraternal spirit. Making a three percent growth in membership in one month is also highly satisfying for the hard-working ceremonial casts, and I thank them all very much for their practice and hard effort to put our best foot forward. Creating new Shriners gives us the continuing vitality to improve being Al Bahr Strong.

There was a lot of activity this past month. About 40 Nobles became Honorary members of DeMolay in their centennial ceremonial on May 11 here at the Shriners Center –congratulations on 100 years of service to our Masonic youth! Al Bahr's birthday (chartered) as a Temple in 1913 was two days later on May 13. Our Units and Clubs massed and marched in the Valley Center Parade.

The Legion of Honor outdid themselves again with their traditional Memorial Service on Memorial Day on May 27 at the Shriners Center. We all took time to remember our fellow Nobles who met the Black Camel, and pray in our own ways that they are forever blessed and shall flourish in immortal green in their eternal rest. It was comforting to all be together in fellowship during this solemn occasion. The Legion also marched with us in the Valley Center parade. On May 5, they lined the arrival hall at the airport to greet the Honor Flight from Washington DC which included Al Bahr Noble Morpeth, one of our World War II veteran members.

I need to give a shout out to Noble Bob Seybold for his multiple exemplary Shrine work. First, he was recognized as Volunteer of the Year for 2019 as a Samaritan Driver, which also indirectly recognizes all of our Samaritan Drivers and their thousands of volunteer hours taking such excellent care of and transporting our Shriners' Kids. I met with Noble Bob before he left on vacation and discussed possible fundraising ideas with the Antique Cars Club. He agreed to put the proposal(s) together for approval. New ideas such as this will help make us Al Bahr Strong now and in the years to come. Members of the club will have the opportunity to practice their passion, and help the Shrine in the end.

Ideas which Nobles have selflessly advanced, when refined, have the opportunity to help Al Bahr retrench this year to make future years fruitful for the benefit and activities of the Nobles, and help us financially also. I look forward to your continued ideas that allow us to recharge our Shrine batteries.

Summer arrives the 21st of this month. Longer days with more time brought from darkness to light. Our traditional parade muster is on July 4 in Coronado, and then others will go on to North County parade(s) that PM. The stated meeting on July 12 will honor all the ladies of Al Bahr in gratitude for all their participation in support of Al Bahr and Shrinedom. Their spirit is what helps make us, surely, Al Bahr Strong.

Now, take out your calendars and save the date!! We have agreed to be a co-sponsor of the annual Harbor Cruise dinner celebration with the York Rite Commandery on Saturday, November 16. We are also in the process of setting a day in late December with Shriners Hospitals for a busload of Al Bahr family volunteers to travel to Pasadena to help build our Shriners International float for the Rose Bowl Parade on January 1. Details to follow!

Other units and clubs are placing events, dinners, breakfasts and the like on the calendar. Nobles will join in the Flag Day Parade in La Mesa. The Sons of the Desert are preparing their annual spaghetti dinner for June 15. I have been buying their tickets for over 30 years. Yes, you WILL find me at the bake sale table first! My mother staffed that table with Kathy Mars and other ladies for many years. And who can forget the Directors' Shed's scrumptious burgers every Thursday? Happy Father's Day, Dads, on June 16. We have a busy time ahead of us, having fun and recharging our fraternal batteries to be Al Bahr Strong. Let's continue to enjoy being with each other with fun, frolic, food, and fraternity!!

Chaplain's Message - Greg S. Maizlish

In your Chaplain's invocations at the March 8 and April 26 Stated Meetings, I used the word "supplication" which is the subject of this message.

Supplication dates back to earliest antiquity, embodied in the Iliad as the prayers of Chryses for the return of his daughter, and of Priam for the dead body of his son, Hector. There are many references to supplicants throughout the poem, including warriors begging to be spared by the Greeks on the battlefield.

In Christianity, the prayer of supplication for health by and on behalf of the sick is referenced in early Christian writings in the New Testament, especially James 5:13-16.

One example of supplication is the Catholic ritual of novena (from novem, the Latin word for "nine") wherein one repeatedly asks for the same favor over a period of nine days. This ritual began in Spain during the Middle Ages when a nine-day period of hymns and prayers led up to a Christmas feast, a period which ended with gift giving. A contemporary Christian example of supplication is the practice of the Daily Prayer for Peace by the Community of Christ where a member prays for peace each day at a specified time. Philippians 4:6 teaches us, "[B]e anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to G-d."

In Islam, the Arabic word du'ā (plural du'aat or 'ad'iyah) is used to refer to supplications. Ad'iyah may be made in any language, although there are many traditional Islamic supplications in Arabic, Persian and Turkish. In Islam, du'ā tends to mean personal prayer. The supplications (Duaas) of Prophets are given in the Koran.

The word Ardās (ਅਰਦਾਸ) is derived from the Persian word 'Arzdashat', meaning a request, a supplication, a prayer, a petition or an address to a superior authority. It is a Sikh prayer that is done before performing or after undertaking any significant task; after reciting the daily Banis (prayers); or completion of a service like the Paath, kirtan (hymn-singing) program or any other religious program. In Sikhism, these prayers are also said before and after eating a meal. The prayer is a plea to G-d to support and help the devotee with whatever he or she is about to undertake or has done.

Past Masters Club - Robert Dockery

How nice it is to come together with fellow nobles and friends, especially at our Past Masters stated meetings in the Red Fez room. We usually meet on the 3rd Friday at 6:30 for a social. Anywhere we can meet is fine indeed but the comfort and ambiance of the Red Fez room beats the sheds. The journey is better with diversity of thought and so we invite you, as a Noble Past Master or noble friend thereof, to come make us better because you are there. The responsibility is yours if you are a member of our club, to bring your perspectives to our meetings to learn how we can have fun together. We come together as a club to serve blue lodges with ritual help, but we also have an opportunity to serve the shrine and have fun doing it. If you are not attending our stated meetings and events, it may be because you are busy. You have an opportunity to help make our meetings a place for you to escape, to have some interesting conversation and fun with men of calibre and experience in herding cats. (That's a Past Master joke)

On Friday June 21st, in place of our stated meeting, the Past Masters look forward to enjoying a salmon and chicken buffet in recognition of our Honored Ladies. The Divan of our Noble Shrine will be in attendance, so if you are a Past Master, please make reservations with Worshipful. James Glunt, our secretary, as soon as possible. Come represent the strength of your club to the Divan and show proper tribute to our Honored Ladies.

Legion of Honor - 1st Lt. Cdr. John Gowen

Thank you Nobles for your support at the Valley Center Parade and the Memorial Day Service. Both events were well attended and Illustrious Sir Stein's speech was inspiring. After a memorable visit to our War Memorials in Washington, D.C., Noble Morpeth and about 85 other WWII and Korean War veterans returned home on Sunday, May 5th. They were greeted at Lindbergh Field by a tremendous fanfare from hundreds of people ranging from a large contingent of active duty military, dozens of veterans groups, scout troops, and even professional cheerleaders. I saw many veterans near tears and dozens of wow's mouthed by our heroes as they came down the escalator. It really made me proud that our Legion of Honor was part of this tribute to our senior veterans. The trip was sponsored by Honor Flight San Diego. We thank them for their service for our Veterans. Our next Stated Meeting on June 22nd will be at Bob Salini's house. Please join us for our Pot Luck lunch at 12 noon. The Stated Meeting will follow at 1 PM.

Samaritan Drivers - Gene Gillard, Chairman/President

Each year I am asked to nominate an outstanding volunteer to be honored as Volunteer Of The Year for the Samaritan Drivers. This individual will be recognized at the annual volunteer luncheon held at our Shriners For Children Medical Center in Pasadena.

This year my choice was very easy. Due to his dedication to our kids I am very proud to have nominated Noble Brother Bob Seybold as the Exemplary Volunteer of the year 2019 of the Al Bahr Shriners.

The following is the nomination letter submitted to the Volunteer Coordinator at the center.

Since becoming a Samaritan Driver on Nov. 18, 2014, Bob has established himself as one of our "GO TO" drivers. He is one of the few I can call on the day before a needed transport. He very rarely turns down a trip to Pasadena. With the "HELP" of his Lady Meryth we are able to keep him busy as evidenced by him making 2 and sometimes 3 trips a week thus ensuring our kids make their appointments.

He has also assisted me in picking up our Sacramento Burn Team from the San Diego Airport and driving them into Tijuana for the outreach clinic held there. This requires an overnight stay and 2 days away from home.

Although he is a "Snow Bunny" spending 6 months out of the year in Sweeden he has donated 612 hours of his time for the children.

Bob continually personifies what, we, as Shriners, are all about by bringing Love To The Rescue and helping our Shrine Kids Defy The Odds they face throughout their lives.

It is for the above reasons I am extremely proud to nominate Noble Brother Robert "Bob" Seybold as our outstanding Volunteer Driver for the year 2019.

Well—Are You?

Are you an active Shriner
The kind that would be missed,
Or are you just content
That your name is on the list?
Do you attend the meetings
And mingle with the flock,
Or do you stay at home
To criticize and knock?
Do you take an active part
To help the work along
Or are you satisfied to be
The kind that just belongs?
Do you ever go to visit
A Shriner who is sick,
Or leave the work to just a few
And talk about the "clique"?
Think this over, SHRINER,
You know right from wrong,
Are you an active SHRINER
Or do you just belong?
