Potentate's Message

Eugene "Gene" Yee

Hello, Nobles and ladies, and welcome to July. We have had a busy first half of the Shrine year and now launch into the second half of this Shrine year. What a busy time everyone has had. Your Imperial Representatives have just returned from representing you at the at the Imperial Sessions. We met daily with the other representatives and discussed and voted

on the business of our fraternity and of the Shriners Hospitals. In the evenings, we met with our counterparts and exchanged ideas and experiences. It was a full week.

Looking back, we all have experiences these first six months, with fond memories of meetings, getting together for fraternal friendship, fundraising, and getting to know one another better as well as catch up with friends and families. The parades were fun, and we had a chance to show the fez! Thanks to a lot of you who willingly step up and take roles that help keep Al Bahr Strong. Here are a few "for instances." Mike George was a major help in multiple aspects of the Tierrasanta parade. Eddie Gonzalez stepped up to take on being Commandant from Assistant when Alberto Castillo relocated due to new employment. Thomas Vergne has stepped in as Assistant Commandant to backfill Eddie's promotion to Commandant. The Honored Ladies will begin assisting by making fraternal calls to Nobles. Jose Alfonso Aguilar Calderone agreed to help as Social Media Director. Robert Dockery accepted President of the Director's Staff when Peter Krickhuhn stepped up and was elected Assistant Rabban.

Shriners Hospitals has just launched its first-time-ever National Patient Acquisition Campaign. As a multimedia effort, the Hospitals are using focused research to reach "Millennial Moms". This phase is a six month pilot program launched in 14 Shriners Hospitals markets. It is titled The "Most Amazing Care Anywhere," and includes a mix of media including three stunning 30 second commercials, print, billboards, and social and digital media. The message is that Shriners Hospitals are an outstanding choice for their child's orthopaedic care. Before this, each Hospital location was responsible for its own acquisition marketing, with limited resources and budget. These are exciting times!

The Board of Directors of Al Bahr recommended, and the Nobility voted to reallocate shed usage to reflect our current needs. Equipment and items we no longer use will be sold or stored in a central location. A potential shed rental revenue stream for the vacated space is anticipated. Thanks to the Units and Clubs, and to our Recorder and Building Manager John Harris, for all of their reallocation efforts to make us more viable. Special thanks go to Illustrious Sir Don Wierman who undertook the multiyear study that culminated in the recommendations for reallocation, which were agreed to by various Units and clubs, so no one is without a home in the sheds area. Units and Clubs are encouraged to use the main building for your stated meetings and events. Come home to the Red Fez Room for your meeting space. Call the office to reserve your space and time. Please give at least a few weeks notice, so scheduling can accommodate your needs and we can allocate staff to be there for your needs and to secure the facility.

These next six months of this Shrine year will continue with activities and meetings that allow us to get together as Shriners and friends. The July 12 stated meeting, which will be chaired by Noble Chino Torres, honors all the ladies of Al Bahr. It is with the acquiescence of the ladies that we are allowed to play in the Shrine Sand Box, and they stand behind us and support all of our efforts, fundraising, and fraternal. This support is much required for ongoing success, and they never ask for a thing. They truly are, to paraphrase my theme song, "The Wind Beneath our Wings". It is only fitting and proper, that we recognize and honor their ongoing efforts that make Al Bahr Strong. Looking forward, the September 13 stated meeting honors the Scottish Rite and our friends and brothers in that concordant body. Many of us are joint members of both, so in some ways, our ladies support us there too!

Enjoy the sunshine, summer, and song. I believe that music is the voice of our soul, and it needs to be heard. It is from whence comes many of our fraternal friendships and that spirit of giving that we all continue to exude every day.

JUST A NOTE!

Are you receiving the Al Bahr-O-Meter via email? If not, please contact the Shrine office at 858/292-0092 to update your email address with us. Hard copies are still being mailed out to those that have requested them.

Be on the lookout!! The 2020 Dues Notices will be mailed out from Shrine Headquarters at the end of August. Once you have paid, they will be mailing out the 2020 stickers within 2 - 3 weeks.

Chaplain's Message - Greg Maizlish

On June 1, 2019, while on an overnight business trip to the San Francisco Bay Area to discuss a collaborative litigation project with one of my oldest and dearest friends, a college and law school classmate, I fell down a flight of stairs in the backyard of an AirBNB in the charming hamlet of Saratoga, California.

After striking the back of my cranium on the landing, my right arm was pinned underneath my torso. It took over an hour for my friend, who is deaf in one ear, to hear moaning and groaning sufficient to alert him for the need of paramedics. Upon their response, it quickly became apparent that the injuries were of some moment and consequence. Five fractured right ribs, a compound fracture of the right elbow, and a compound distal fracture of the right humerus. At the urgent care facility where paramedics initially effectuated transport, a number of surgical hospital facilities were offered. The list did not include Stanford Health Care hospital; my ultimate choice. After waiting until 6:00 a.m. June 5, 2019, space became available in their orthopedic trauma center for a four hour long effective surgical procedure involving multiple titanium plates and screws. After physical and vocational therapy on June 6, 2019, I was discharged from Stanford hospital at 11:00 a.m. on June 7, 2019 with too much pain and too little effective pain medication. Thank you most kindly to the many members of the Al Bahr Shrine Family for all the wishes of a speedy and full recovery.

I am indeed fortunate to have Lady Gretchen Elizabeth Ainsworth in my life. She is my very best friend and greatest love. Her care is loving and the product of our lifetime of love. She sees to all of my needs with good humor and I am lost without her.

The healing process requires spiritual nourishment just as it does nutritional, recuperative, rehabilitative, restorative regeneration and a combination of rest and sleep. At a time of allowing the body to welcome back health, faith and prayer are invaluable and indispensable. HaShem is good and wants good.

As we prepare to observe the 243rd anniversary of the Independence of the greatest Country in the history of humankind, it is particularly appropriate to acknowledge that freedom of religion is a core value in common with the vision of the Founding Fathers and the Craft of Freemasonry. While it is true that only nine of the fifty eight signatories of the Declaration of Independence were in fact Freemasons, it is just as true as they were men of faith, prayer and worship. Bless you and bless the United States of America.

Antique & Classic Car Club

Our quarterly dinner was a success with a good time had by all those who attended. The next dinner is scheduled for July 25th and will be held at the Al Bahr Directors Staff shed. It's going to be a hamburger/hot dog cook out, in a casual setting, and we encourage you to bring your car for a photo session. Full details will be sent to all Club members but if you are not a member of the club please contact us. We would like to have you and your lady visit with us at the dinner.

Meanwhile, the shed will be open, as usual, on Thursday mornings for you to come by and work on your ride, talk about cars, or just relax with a donut, cup of coffee and good company. In addition to all of that and for anyone who cannot make it on Thursday mornings because you are not yet retired (we apologize for that) we will now be open on Saturday mornings also. We will be happy to help you with your transportation issues and have a wide range of technical knowledge and maintenance manuals to look up the solution to whatever problem you may be having with your classic or antique car.

We are doing a bit of work on the 1941 Buick so that we can get it out to the parades and other local events.

If you are getting ready to buy a new car or know someone that is and the dealer won't give them anything for the trade in, come see us. We won't give them anything either, but we accept donations or might be able to come up with a better deal. We are actively searching for something that can be used in parades, but will accept anything that we can fix up and convert to something useful. Remember, we are here to have a good time and enjoy each other's company, but our foremost goal is for the Kids. Bless you all and keep those wrenches turning. WETSU. (We Eat This Stuff Up)

Tin Lizzies

Well would you look at that, summer is finally here. The La Mesa parade in June was a great turnout. A stated meeting was conducted after and Noble Eusebio "Hondo" Hondolero was elected as the newest member "student driver" of the Tin Lizzies. He was so excited and eager to get in a car and parade with us that he misplaced his eyeglasses during our fellowship luncheon. All the while, we all enjoyed the camaraderie. Congratulations and welcome Noble Hondo! For those others who may be interested including our newly FEZZED Nobles, we welcome your interest in the Tin Lizzies and hope you will consider applying for membership in one of the most active units in the Shrine. We still have cars available and would love to see you in them. Looking forward to hearing from all y'all and seeing the rest y'all soon! Prayers for those that are ill or injured and wishing everyone a safe and glorious 4th of July. God bless America!

Noble Bob Salini,

Thank you for opening your house to us on the 30th. The food was outstanding! The next couple of months look quiet. We have the parade on the 4th of July, a Stated Meeting on the July 12th, and our Legion of Honor Stated Meetings on July 27th and August 24th. Enjoy your summer.

Nobles, if you would like the Legion of Honor to Present the Flag of Our Country at a special event, please contact us as soon as possible. We are starting to see requests come in from our brothers for their Masonic Lodge Installations.

Clown Unit

Half the year behind and half the year ahead, but as clowns we usually just follow our big red nose. Fortunately, we have had lots of noses to follow in our parades as of late.

It's clear all those who participate in the parades (especially those with rolling stock) each have their own purpose, but collectively it's about supporting the Hospitals.

The good news is the calliope is doing as good as it can be and has been ready to go for each and every parade this year! As clowns we are unique in that our rolling stock is another actor on our stage of spreading the word of Shrinedom. I wish we clowns could share the genuine appreciation people give us for the impact the hospitals have had in their lives. In interacting with the parade goers we hear two recurring remarks: "Thank you all for what you do" and "I'm so glad to see the calliope back".

Nobels and ladies, the "THANK YOU" is to all of us.... everyone who wears the fez, from the dues payer to the most active member, YOU are part of the change in people's lives. As for the Calliope being back... our valley is blessed with such recognition in parades, and the blood, sweat and tears working on the calliope along with the generosity of many donors who keep that big orange face of Al Bahr in front of San Diego County residents.
